Local Programs/Minibus Support & Community Transportation

Our Mission - To provide improved accessibility and mobility for the state's senior citizens and persons with disabilities through the development of a coordinated and seamless statewide community transportation network.

What do we do?

- Administer \$44M annually in State and FTA grants and programs throughout New Jersey.
- Coordinate local efforts with NJ TRANSIT's own operations and that subrecipients participate in the locally developed Coordinated Human Services Transportation Plans (CHSTP)
- Provide technical support and best practices to our subrecipients.
- Administer all grants in accordance with FTA and State regulations.

Community Transportation Services

- Demand Response services for seniors and persons with disabilities that requires a reservation
- Route deviation shuttle services that deviate off route to serve trip origins and destinations that are not directly served
- Feeder to NJ TRANSIT bus and rail stations
- Support Van pool in coordination with TMAs

Grant Programs We Administer

- Senior Citizen and Disabled Resident Transportation Assistance Program (SCDRTAP)
- FTA Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities
- FTA Section 5311 Formula Grants for Rural Areas
- NJ Job Access Reverse Commute (NJ JARC)
- Congestion Mitigation and Air Quality Improvement (CMAQ) – FTA Section 5307

Funding History

Annual SCDRTAP Allocations, 2008-2018

FTA Section 5310

- ▶ Annual competitive formula grant
- ▶ Eligible activities include operating, capital and mobility management
 - ▶ Mobility Management Projects include
 - ▶ Equipment and/or Planning
 - ▶ Travel Training for Seniors and PWD
- ▶ NJT provides the 20% required local match for capital
- ▶ Subrecipients provide the 50% required match for Operating projects

FTA Section 5311

- ▶ Currently there are 15 Section 5311 projects
- ▶ NJT provides half of the local match required for administration and operating projects which is approximately \$1.6M in NJT operating funds.
- ▶ In 2015 Section 5311 Innovation grant was implemented for agencies to develop deviated route services and/or shared-ride taxi service for rural areas

NJ JARC

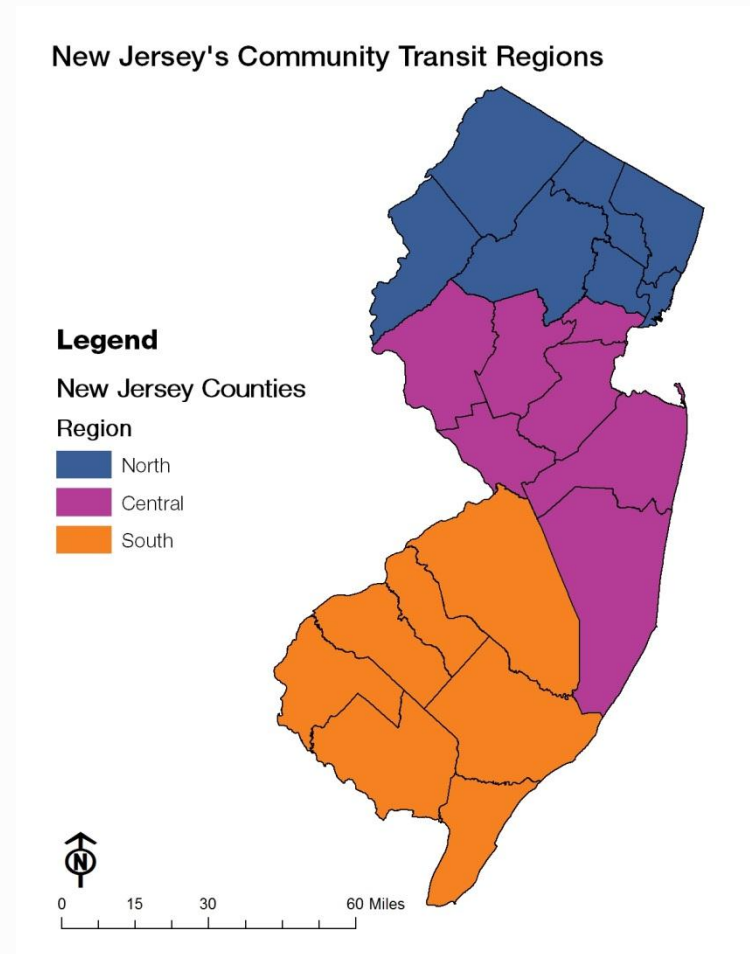

- Transportation focused on employment trips including job training
- NJT operating funds supports the 23 JARC projects
- Annually NJT provides \$4.3M
- Competitive grant application, available every two years
- Only for operating requires local 50% match
- Yearly budget is \$10.6M includes TIF/DHS (\$1 mil) and Local Matching Funds

Congestion Mitigation and Air Quality Improvement (CMAQ)

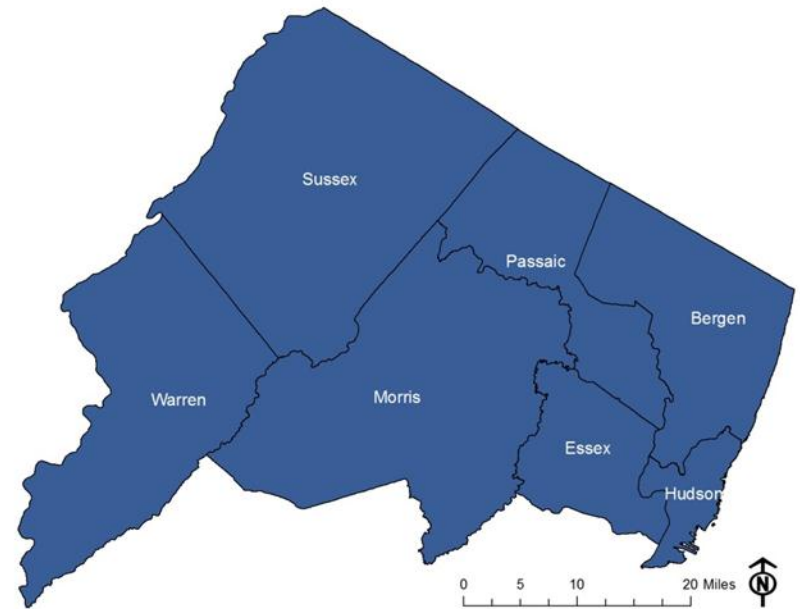

- Funding is awarded by the three MPOs under their local initiatives programs
- Administered by Local Programs as FTA Section 5307 general public funding
- Capital provided for replacement vehicles
- Operating is limited to start-up operating costs for new general public transportation
- Operating projects must generate enough revenue to cover costs once federal funds are drawn down.
- All CMAQ projects must demonstrate air quality benefits
