1. Introduction

Welcome to your comprehensive Union County Resource Mobility Guide.

In today's fast-paced world, mobility is more than just getting from point A to point B. It's about freedom, efficiency, and sustainability. Whether you want to enhance your daily commute, find a home near convenient public transportation, or evaluate transportation options for an aging parent or a loved one with disabilities, this guide will serve as your gateway to smarter, smoother, and more sustainable movement in Union County.

Why Mobility Matters?

Mobility affects every aspect of our lives, from our daily routines to our long-term health and the environment. As urban populations grow and technology evolves, the way we move also changes rapidly. This guide is designed to help you navigate these changes, make informed choices, and embrace the exciting future of transportation.

What You'll Find?

This guide highlights a wide range of transportation services and resources offered by Union County, local municipalities, transportation network companies (TNCs), non-profit organizations, private wheelchair transportation providers, local taxi companies, private buses, NJ TRANSIT bus & rail services, and the New Jersey Travel Independence Program. While walking and biking are the most sustainable and healthy forms of transport, this guide does not cover pedestrian and biking facilities. Instead, it focuses primarily on transit and transportation services for older adults and people with disabilities.

Each section provides additional details, including program contacts, eligibility criteria, and application processes, making this guide a one-stop resource for transportation assistance in Union County.

Whether you're a CEO determining the ideal location for your business, a social worker or healthcare professional helping clients with transportation, a new resident, a city planner, a visitor, or someone simply striving for more efficient journeys, this guide has something for you. Let's embark on this journey together, toward a more mobile, connected, and sustainable future.

About

Curb-to-curb wheelchair accessible transportation service for individuals with disabilities who cannot use regular fixed-route buses.

Access Link service is comparable to the bus in that it is available during the same days and hours as the regularly scheduled local fixed route bus service, including weekends and holidays.

Key Features

- Curb-to-curb Service - Shared ride transportation with pick-up and drop-off points located within 3/4 of a mile of a fixed bus route or light rail station.
- Pick-Up Timeframe - Drivers operate within a 20-minute window before or after the scheduled pick-up time.
- Types of Trips - Access Link can be used for medical, social, recreational, shopping, and other travel purposes.

6. Bikes on Buses & Trains

NJ TRANSIT provides cyclists with a convenient and flexible way to travel across New Jersey, seamlessly combining bike, bus, and train options. Whether commuting, exploring, or choosing an eco-friendly trip, knowing how to bring your bike along can make your journey easier and more enjoyable.

Bikes on Buses

- Get your bike and gear ready as the bus approaches.
- Signal the driver that you'll be using the bike rack once the bus stops.
- Use one hand to lower the rack and the other to lift your bike onto it.
- Place the tires in the slots labeled "front" and "back."
- Pull the support bar over the front tire to secure the bike.
- Before getting off, let the driver know you'll be unloading your bike.
- When unloading, release the support bar, remove your bike, and fold the rack back up.

Bikes on Trains

- **Foldable bicycles** are permitted on all NJ TRANSIT trains at all times.
- **Standard bicycles and/or e-bikes** are not permitted on weekday peak-direction trains:
 - Inbound trains arriving in Newark, Hoboken, or NY 6:00–10:00 A.M.
 - Outbound trains departing Newark, Hoboken, or NY 4:00–7:00 P.M.
- Use designated bike areas, usually located in ADA-accessible sections near the doors.
- Wheelchair users have priority in these spaces.
- Secure your bike to keep it stable during the trip.

Bikes on PATH Trains

- For those looking to transport their bicycles via PATH train, different equipment and loading procedures are in place.
- **Folded bicycles** are permitted on PATH at all times, with a limit of two bikes per car.
- Electric bicycles (e-bikes) and electric scooters are not allowed on PATH trains at any time

7. TNC's & Related Programs

Transportation Network Companies (TNC's)

A Transportation Network Company (TNC) is a service that connects passengers with drivers via a mobile app or online/web-based platform, providing on-demand transportation. When selecting a TNC, consider factors such as accessibility, cost, ease of use and service availability in your area.

Lyft
